Reporting Quality Improvement (Part 4) Activities

Step 1: Log into your portal account through our website at www.theABA.org.

Step 2: Once you’re logged in, click on “Review Your Progress” under the gray “MOCA” section.

Step 3: Go to Part 4 (near the bottom of the page) and click on “Report/View Activities” or “25 points.”

Step 4: Click on the orange “Report New Activity” link.

Step 5: Click on the “approved Part 4 activity list” link to view the PDF of approved activities and sample guides to help you get started. You can click on an activity name in the left column to see its description. You are no longer required to submit a reporting template.
Step 6: In your portal, enter the date you completed the activity, select the type of activity you completed and enter the number of hours you spent completing it. **You are not required to submit a reporting template.** The maximum number of points you can claim for this activity will be displayed in orange.
