CME RELEASESTEP 8 OF 10

In connection with the American Board of Anesthesiology® Inc.'s (ABA) Maintenance of Certification in Anesthesiology™ (MOCA®) program, the ABA allows certain continuing medical education (CME) providers to electronically submit verification of a Diplomate's program participation in order to make it easier for ABA Diplomates to document fulfillment of their CME requirements. CME activities submitted to the ABA from a CME provider are NOT subject to audit by the ABA.

On occasion, the ABA is contacted by CME providers to obtain or verify certain Diplomate identifying information to submit program participation data to the ABA. Before the ABA may provide this information to a CME provider, the ABA must obtain authorization directly from the physician.

I hereby authorize the ABA to release my name, date of birth, date of medical school graduation, and ABA unique identification number to ABA registered CME providers. Please note that the ABA identification number is not my Social Security number.

I understand that the ABA does not review, evaluate, or monitor data received from registered CME providers.

I Agree - by selecting "I Agree," I acknowledge this as my legally binding "electronic signature" for this authorization.

I Do Not Agree - selecting "I Do Not Agree" does not affect my participation in MOCA. By selecting "I Do Not Agree," I regain full responsibility for reporting all my CME activities via my ABA portal account. The ABA will continue to accept my program participation from CME providers if I provide my ABA ID number directly to the providers.
